

Dear Sir or Madam,

**Union Academy PTA** in collaboration with **BHS/IB/SA PTSA**, is pleased to announce its 3rd annual dinner and auction, with a fresh new theme for 2017. We invite you to **Bartow Casino Night**, on **Friday, February 10, 2017**, at **The Bartow Civic Center**.

Through our collaboration, your support of one event helps provide financial assistance for classroom technology, professional development for teachers, and school expansion projects for 4 schools within Bartow, impacting students from all over our Polk County.

**Ways that you can participate:**

- **AUCTION ITEM:** We hope you will support our students and school by donating an item, service, or experience for our silent and live auction. Auction items may be sent to the school, or for your convenience an auction committee member would gladly collect your donation from your place of business.
- **SPONSORSHIP:** You may also consider a monetary contribution to underwrite the event as a sponsor. Please review the Sponsorship Opportunities to determine your level of investment....and fun! Each level includes tickets to the fun, upscale evening of gaming, dancing, auctions, and more. (*Your donations may be tax deductible. The appropriate documentation of your contribution will be provided along with our tax information.*)
- **TICKETS:** Purchase individual tickets to the event (\$45 each or \$80 a couple), by visiting our website at <http://ua.polk-fl.net>.

Please submit your donations no later than Friday, January 27, 2017 to ensure proper recognition in the program. For sponsors, contributions received by January 10<sup>th</sup> will receive maximum benefit for investment.

Feel free to contact us at [auction@uapta.com](mailto:auction@uapta.com) should you have any questions. Thank you in advance for your generous support.

Sincerely,

Laura Mills Simpson,  
UA PTA President, 2016-2017

Reba Coil,  
BHS/IB/SA PTSA

*Our PTA is a member of Florida PTA and a 501C3 organization*

*Although real casino gaming tables, Casino Night gaming uses fun money received with your entry fee or sponsorship level.*
